Office of the Chief Engineer (General),
Bangalore, dt. 14th Aug. 1961.

Subject:- Transfer of the Water Supply distribution in Bangalore City area from Government to the Corporation of the City of Bangalore for maintenance.

Reference: Government Order No. LLH 7 GCS 59 dt. 11-8-61

In pursuance of the above Government Order, the following instructions are issued to the Executive Engineer, Special Water Supply Division, Bangalore, and to the Executive Engineer, Water Supply Division, Bangalore, for compliance with effect from the forenoon of 14th August 1961:-

(1) The Executive Engineer, Water Supply Division, will close his Cash Book and Accounts on the forenoon of 14th August 1961 and wind up his Division by handing over the Accounts Registers, Records, Stores, Tools and Plant, etc. to the Executive Engineer, Special Water Supply Division, Bangalore.

(2) Government Orders regarding the transfer of the Water Supply Division, Bangalore, along with one Sub-division is at present designated as the No.1 Water Supply Sub-division, Bangalore, to the Corporation will be issued by the W.D. Secretariat. The Sub-division at Thippagondanahalli and the Assistant Engineers, South, connected with the City Improvement Trust Board and partly Municipal and other layouts will hereafter work under the Executive Engineer, Special Water Supply Division, Bangalore.

(3) The Executive Engineer, Water Supply Division, Bangalore, Sri.B.S.Krishna Murthy, will from the forenoon of 14-8-1961, along with his entire Divisional staff and the No.1 Sub-division for Bangalore, will start functioning under the Corporation. Necessary orders for the opening of a new Division and Sub-division under the Corporation to enable its smooth functioning may please be obtained by him from the Corporation immediately.

(4) The building in which the Water Supply Division at present is housed, along with its furniture may also be handed over to the Executive Engineer, Special Water Supply Division, Bangalore; who will allot the building and the furniture back to the Executive Engineer, Water Supply Division after obtaining a receipt from the concerned authorities of the Corporation.

(5) The payment of salaries of permanent and temporary staff up to the forenoon of 14-8-1961 should be made by the Special Water Supply Division, Bangalore, after taking over charge of the Water Supply Division from Sri.B.S.Krishna Murthy. From 14-8-1961 the Executive Engineer, Water Supply Division who will henceforth work under the Corporation, will obtain the necessary orders for the payment of salaries of the staff transferred along with him to the Corporation from the concerned Corporation Authorities.

(6) Any collection on account of excess water charges which may have not yet been credited to the Reserve Bank may be done up to the forenoon of 14-8-1961 by the Water Supply Division, Bangalore. As regards the collection which might

have....

have been made on or after 14-8-1961, the Executive Engineer, Water Supply Division, may obtain orders of the Corporation Authorities regarding the disposal of the amount.

(7) One vehicle bearing No. MYA 3890 may be transferred to the Corporation. The Ex.Engr., Special Water Supply Division, may take charge of the rest of the vehicles.

(8) Certain stock articles have been specifically purchased for the maintenance of water supply to Bangalore by the Water Supply Division, Bangalore. The entire stores, however, should be handed over to the Executive Engineer, Special Water Supply Division, Bangalore, from whom the Ex.Engr., Water Supply Division, may continue to draw the materials on regular indents authorised by the Corporation. The Ex.Engr., Special Water Supply Division will maintain an account of all the issues so made and submit a Bill of cost for all the materials issued to the Corporation for payment to Government.

(9) The following Works which are being executed by the Government at present will be transferred to the charge of the Corporation from the morning of 14th August 1961:-

- (i) Construction of 2 M.G.tank at Kethamaranhalli;
- (ii) Laying of 24" pipe from Kethamaranhalli to Mount Joy;
- (iii) Laying of 15" loop line from Mount Joy to Byrasandra-Jayanagar;
- (iv) Laying of 24" main from Combined Jewel Filters to Machalibetta;
- (v) Construction of clarifiers and flocculators at Combined Jewel Filters for filtering raw water from Hessarghatta.

(10) The Assistant Engineer (South) as stated above will work under the Special Water Supply Division, Bangalore, from the forenoon of 14-8-1961. He will have jurisdiction not only over all works taken on behalf of the City Improvement Trust Board inside or outside the City and Corporation limits, but will also be in charge of the Headworks at Hessarghatta and Soladevanahally. He will also be in charge of the demanding and collection of revenues for all connections up to Combined Jewel Filters on the Soladevanahally lines;

(11) The Executive Engineer, Special Water Supply Division, Bangalore, will be responsible for supplying water to the Corporation at the points enumerated in para 3(9) of the Government Order dated 11th August 1961, referred to above.

(12) The Executive Engineer, Special Water Supply Divn. and the Executive Engineer, Water Supply Division, Bangalore, should jointly prepare the figures of booked expenditure for all works mentioned in Annexure 'A' to the G.O. referred to above. They should get these figures verified by the Accountant General and forward them to the Government through the Chief Engineer for incorporating in the Agreement to be drawn up with the Corporation. The statement should include the cost of all old works like C.J.F., buildings, etc that have been omitted in Annexure 'A'. The Executive Engineer, Special Water Supply Division, may

please correspond immediately with the concerned P.W.D. authorities and fix up a rent for the buildings which will be transferred to the Corporation along with the rental valuation of the furniture and Cash-chest, etc. transferred to them.

(13) The Executive Engineer, Special Water Supply Division, will also prepare in consultation with the Executive Engineer, Water Supply Division, Bangalore, the rate to be charged to the Corporation for the supply of filtered and unfiltered water in accordance with para 3(8) of the Government Order referred to above. This work could be completed by the 1st of September 1961 and submitted to the Chief Engineer for forwarding it to Government for incorporation in the Agreement to be drawn up.

(14) The Executive Engineer, Special Water Supply Division, will not prepare any estimates for water supply to the City Improvement Trust Board new layouts unless the City Improvement Trust Board communicates clearance of the Corporation to tap the mains. This procedure will continue until the question is fully decided by the Government in consultation with the Corporation as envisaged in para 4 of the Government Order referred to above.

PROCEEDINGS OF THE GOVERNMENT OF MYSORE

Sub: Transfer of Water Supply Distribution in Bangalore City Area from Government to the Corporation of the City of Bangalore for maintenance.

Read:-

Correspondence ending with letter No.B.11.16/61-62, dated 6th July, 1961 from the Commissioner, Corporation of the City of Bangalore on the subject.

ORDER NO.LLH 7 GCS 59,

BANGALORE, DATED THE, 11th AUGUST 1961.
S.E. 1883.

At present the distribution and supply of water in the Civil Area of the City of Bangalore are under the control of the Corporation of the City of Bangalore and those of the City Area are under the control of the Government in the Public Works Department. There are separate rules for each area and the amount of free supply of water allowed in these areas is also different.

2. The Corporation of the City of Bangalore have been urging for a long time that the work of distribution and supply of water in the City Area may be assigned to them, so that there may be uniform rules and control for the entire City. The residents of Civil Area also have represented to Government that the existing disparity in the free supply of water in the two areas may be removed by framing common rules.

3. After considering the question in all its aspects, Government are pleased to order that the work of supply and distribution of water in the City Area be handed over to the Corporation of the City of Bangalore with effect from the 14th August, 1961, subject to the following conditions:

(1) Government shall transfer to the Corporation the machinery and equipment detailed in Annexure 'A'.

(2) The Corporation shall pay the book value as on 1-4-1960 of Machinery and equipment handed over to it in twenty equal annual instalments together with 5% interest thereon (Penal interest to be charged at 9% in overdue instalments). The book value shall include any additional expenditure incurred subsequent to

to 1-4-1960 by Government on the distribution system within the Corporation, making due allowance for any sums advanced by the Corporation to the Government for the purpose.

(3) All stock articles required for maintenance except these purchased out of the estimates already countersigned by the Corporation, shall be handed over to the Corporation on payment of their book value.

(4) The Combined Jewell Filters shall also be handed over to the Corporation. The actual cost of filtration at those Filters of raw water from Hessarghatta shall be deducted from payments due to Government.

(5) Plant and Machinery at the Jewell Filters and at the several distribution points in the City shall also be transferred to the Corporation. The actual assessed value of the properties to be handed over to the Corporation will be paid by the Corporation after taking an inventory subject to verification of the value etc., at the time of taking over charge of the water supply distribution system.

(6) Such of the vehicles as can be spared shall be sold to the Corporation at values fixed by Government.

(7) The Government will consider separately the question of handing over to the Corporation the premises where the Executive Engineer's and Assistant Engineer's offices are at present located at the value to be assessed. Till a final decision is taken in this matter those offices will continue in those buildings subject to payment of rent by the Corporation to the Government, the rate of rent being fixed by the Government.

(8) Government shall supply water to the Corporation for purposes of distribution at such rates as may be fixed, in the first instance, taking into consideration, the capital cost, depreciation, maintenance charges, interest, etc. This rate shall remain in force for a period of five years commencing from the date of transfer or for such shorter period as may be fixed at the option of Government, if the capital cost incurred justifies such a revision. At the end of five years, there-after

once in five years, the actual cost shall be worked out and the rate to be charged shall be fixed up.

(9) The quantity of water that is supplied to the Corporation shall comprise supplies at the following points:-

- (1) At the off-take of the 24" & 27" line to the ^{RCC}~~BCC~~ tank at Kethamaranahalli;
2. At the entry of the 24" Main from Thippagondanahally to Combined Jewell Filters;
3. At the entry of the 27" Main from Thippagondanahally to Combined Jewell Filters;
4. At the entry of the 15" Main from Hessarghatta to Combined Jewell Filters;
5. At the entry of the duplicate 15" Main from Heaserghatta to Combined Jewell Filters; and
6. At any other point or points at which future supplies will be made.

(10) Until such time as actual measuring devices are provided at each of the above points the quantity supplied shall be determined from the quantitative gaugings conducted jointly by the representatives of Government and the Corporation at quarterly intervals.

(11) The Corporation shall take steps to frame bye-laws for the levy of uniform rates for water supply in both the City and Civil areas.

(12) Water supply to Government buildings shall be made by Corporation at the rates specified hereafter on application made by the concerned officers of the Public Works Department.

(13) All Water Supply Sub-mains for Government buildings within the limits of the Corporation shall be paid for by the Corporation and water charges recovered at Re.1/= per 1,000 gallons or at other rates to be fixed later and for all the buildings outside the Corporation limits, Government will defray the expenditure of laying sub-mains beyond the limits of the Corporation.

(14) The Corporation shall be entitled to collect arrears of Water Revenue.

(15) The Corporation shall take over and honour all the Agreements entered into by the Government with such of the firms, mills, Industrial concerns, Railways and Statutory Bodies such as City Improvement Trust Board, and concerns of the Government of India for which supplies are now given from the Combined Jewell Filters and thereafter.

(16) Immediately after the distribution system is taken over by the Corporation, the Corporation shall make necessary arrangements to have their own laboratory with necessary staff and Water Analyst.

(17) The services of the staff working in the water supply Division at Bangalore except those working on the Head Works at Thippagondanahally, Hessarghatta and Soldevanahalli and on the Supply Mains upto the Combined Jewell Filters shall be placed at the disposal of the Corporation by the Chief Engineer. They shall be considered as on deputation for a period of one year in the first instance. A conveyance allowance may be paid at the rates existing in the Corporation to the Executive Engineer and the Assistant Engineers of the Water Supply Division if the Corporation does not provide suitable conveyances to them.

(18) The members of the staff other than the Executive Engineers, Assistant Engineers, Junior Engineers and Supervisors shall be given an option to join the services of the Corporation on same conditions of service as are enjoyed by them at present. The Corporation shall absorb such of the officials who opt out to the Corporation Service.

(19) The Accounts staff and the ministerial staff of the Division shall also be considered as on deputation for a period of one year in the first instance.

(20) The point or points at which control of Government shall cease and that of the Corporation shall commence shall be the Combined Jewell Filters at Bangalore.

4. The continuance of the Assistant Engineer (South) connected with the City Improvement Trust Board Works and part Municipal or other layouts and the policy of supplying water in

in future to the City Improvement Trust Board and other layouts from the Municipal Mains will be decided by the Corporation with the approval of Government.

5. The Chief Engineer (General) and the Commissioner, Corporation of the City of Bangalore are requested to take immediate action to implement these directions.

6. The Chief Engineer (General) is also requested to instruct the Executive Engineer, Water Supply Division, to furnish immediately a consolidated list of all buildings, lands and such other moveable and immoveable properties as are now under the control of the Water Supply Division to the Commissioner, Corporation of the City of Bangalore, so as to enable the latter to take charge of them on the date fixed for handing over the properties.

7. An agreement incorporating the conditions referred to above has to be executed by the Corporation and the Government separately.

Bangalore, Dated 16th August, '61.

Subject: Transfer of the Water Supply Distribution in Bangalore City area from Government to the Corporation of the City of Bangalore for maintenance.

Reference: Government order No. LLH 7 GCS 59 dated 11-8-61.

In pursuance of the above Government order, the following instructions are issued to the Executive Engineer, Special Water Supply Division, Bangalore, and to the Executive Engineer, Water Supply Division, Bangalore, for compliance with effect from the forenoon of 14th August 1961.

- (1) The Executive Engineer, Water Supply Division, will close his cash book and Accounts on the Forenoon of the 14th August 1961 and wind up his Division by handing over the Accounts registers, Records, Stores, Tools and Plant, etc., to the Executive Engineer, Special Water Supply Division, Bangalore.
- (2) Government orders regarding the transfer of the Water Supply Division, Bangalore, along with one Sub Division which is at present designated as the No. 1. Water Supply Sub Division, Bangalore to the Corporation will be issued by the P.W.D. Secretariat. The Sub Division at Thippagondanahally and the Assistant Engineers, South, connected with the City Improvement Trust Board and partly Municipal and other layouts will hereafter work under the Executive Engineer, Special Water Supply Division, Bangalore.
- (3) The Executive Engineer, Water Supply Division, Bangalore, Sri. B. S. Krishnamurthy, will from the forenoon of 14-8-1961, along with his entire Divisional Staff and the No. 1. Sub Division for Bangalore, will start functioning under the Corporation. Necessary orders for the opening of a new Division and Sub Division under the Corporation to enable its smooth functioning may please be obtained by him from the Corporation immediately.
- (4) The building in which the Water Supply Division at present is housed, along with its furniture may also be handed over to the Executive Engineer, Special Water Supply Division, Bangalore, who will allot the building and the furniture back to the Executive Engineer, Water Supply Division, after obtaining a receipt from the concerned authorities of the Corporation.
- (5) The payment of salaries of permanent and temporary staff upto the forenoon of 14-8-1961 should be made by the Special Water Supply Division, Bangalore, after taking over charge of the Water Supply Division from Sri. B. S. Krishna Murthy. From 14-8-61 the Executive Engineer, Water Supply Division, who will henceforth work under the Corporation, will obtain the necessary orders for the payment of the salaries of the staff transferred along with him to the Corporation from the concerned Corporation Authorities.
- (6) Any collection on account of excess water charges which may have not yet been credited to the Reserve Bank may be done upto the Forenoon of 14-8-1961 by the Water Supply Division, Bangalore. As regards the collection which might have been made on or after 14-8-1961, the Executive Engineer, Water Supply Division, may obtain orders of the Corporation Authorities regarding the disposal of the amount.
- (7) One Vehicle bearing No. MYA 3890 may be transferred to the Corporation. The Executive Engineer, Special Water Supply Division may take charge of the rest of the vehicles.

(8) Certain stock articles have been specifically purchased for the maintenance of Water Supply to Bangalore, by the Water Supply Division, Bangalore. The entire stores, however, should be handed over to the Executive Engineer, Special Water Supply Division, Bangalore, from whom the Executive Engineer, ~~Special~~ Water Supply Division, may continue to draw the materials on regular indents authorised by the Corporation. The Executive Engineer, Special Water Supply Division, will maintain an account of all the issues so made and submit a bill of cost for all the materials issued to the Corporation for payment to Government.

(9) The following works which are being executed by the Government at present will be transferred to the charge of the Corporation from the morning of 14th August 1961:-

- i) Construction of 2 M.G. Tank at Kethamaranahally;
- ii) Laying of 24" pipe from Kethamaranahally to Mount Joy;
- iii) Laying of 15" loop line from Mount Joy to Byrasandra-Jayanagar;
- iv) Laying of 24" main from Combined Jewell Filters to Machalibetta;
- v) Construction of clarifiers and flocculators at Combined Jewell filters for filtering raw water from Hessarghatta.

(10) The Assistant Engineer(South) as stated above will work under the Special Water Supply Division, Bangalore, from the forenoon of 14-8-1961. He will have jurisdiction not only over all works taken on behalf of the City Improvement Trust Board inside or outside the City and Corporation limits, but will also be in charge of the Head works at Hessarghatta and Soldevanahally. He will also be in charge of the demanding and collection of Revenues for all connections upto Combined Jewell Filters on the Soldevanahally lines;

(11) The Executive Engineer, Special Water Supply Division, Bangalore, will be responsible for supplying water to the Corporation at the points ~~as~~ enumerated in para 3(9) of the Government order dated 11th August 1961, referred to above.

(12) The Executive Engineer, Special Water Supply Division, and the Executive Engineer, Water Supply Division, Bangalore, should jointly prepare the figures of booked expenditure for all works mentioned in Annexure 'A' to the G.O. referred to above. They should get these figures verified by the Accountant General and forward them to the Government through the Chief Engineer for incorporating in the Agreement to be drawn up with the Corporation. The Statement should include the cost of all old works like C.J.F. Buildings, etc., that have been omitted in Annexure 'A'. The Executive Engineer, Special Water Supply Division may please correspond immediately with the concerned P.W.D. ~~authorised~~ and fix up a rent for the buildings which will be transferred to the Corporation along with the rental valuation of the furniture and Cash-chest, etc., transferred to them.

(13) The Executive Engineer, Special Water Supply Division, will also prepare in consultation with the Executive Engineer, ~~Special~~ Water Supply Division, Bangalore, the rate to be charged to the Corporation for the supply of filtered and unfiltered water in accordance with para 3(8) of the Government ~~referred~~ referred to above. This work ~~should~~ be completed by the 1st of September 1961 and submitted to the Chief Engineer for forwarding ~~it~~ to Government for incorporation in the Agreement to be drawn up

(14) The Executive Engineer, Special Water Supply Division, will not prepare any estimates for Water Supply to the City Improvement Trust Board new layouts unless the City Improvement Trust Board communicate clearance of the Corporation to tap the mains. This procedure will continue until the question is fully decided by the Government in consultation with the Corporation as envisaged in para 4 of the Government order referred to above.

Reg: Handing over maintenance and distribution of Water Supply in Bangalore City Area to Bangalore City Corporation.

Government Order No.LLH.7 GCS 59 dated 11-8-61.

Consequent on handing over the maintenance and distribution of water supply in Bangalore City area to Bangalore City Corporation, it was necessary to make arrangements for the other original works that are in progress. Instructions were therefore issued that the two Sub Divisions viz., one at Thippagondanahally and the other (Assistant Engineer, South) attached to Bangalore Water Supply Division will work under the Executive Engineer, Special Water Supply Division, Bangalore. The subject was also discussed with you and your reference is invited to this office No.2096-103/Br.I dated - 16-8-1961 on the subject.

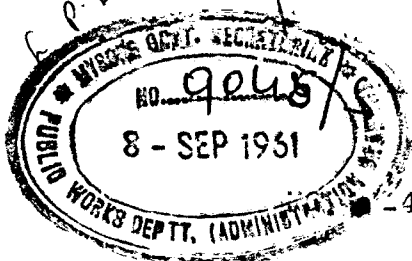

The Executive Engineer, Special Water Supply Division, Bangalore, has now submitted a list of officials that have come over to his Division along with the above mentioned two Sub Divisions and vehicles.

I request that necessary orders of Government may kindly be communicated for the staff (statement enclosed herewith) formerly belonging to Water Supply Division to work in Special Water Supply Division, with effect from 14-8-61(F.I) so that their salary etc. may be admitted by the Accountant General.

Yours faithfully,

(K. M. Joshi)

CHIEF ENGINEER(GENERAL).

To

The Secretary to Government,
Public Works Department,
BANGALORE.

Sir,

Sub:- Transfer of Vehicles belonging to Water
Supply Division, Bangalore to the
corporation of the City of Bangalore.

Ref:- This office letter No. 2096- 103/Br. I
dated 16-8-1961.

In continuation of this office communication cited
above, I have to state that one Station wagon bearing
No. MYA.3890 was transferred to the corporation as agreed
to originally by them. Now, it is represented by the
corporation Engineer, Bangalore that much inconvenience is
being caused for want of a 'pick-up van' to convey men and
materials in an emergency and requests to transfer one 'Pick-up
van' formerly being used by the water supply Division, Bangalore,
to serve the purpose.

Pending approval of Government on the proposal, it is
ascertained that the Executive Engineer, Special Water Supply
Division, Bangalore, has already hand over the vehicle to the
corporation Engineer Keeping in view the necessity expressed
by him.

The value of the two vehicles will have to be fixed
by Government as contemplated in G.O.No.LLH.7 GCS 59 dated
11-8-1961, vide para-6, for transfer to the corporation.

Yours faithfully,

KR.

MYSORE GOVERNMENT SECRET
VIDHANA SOUDHA,

Dated, Bangalore, 21.10.1961.

FROM

The Secretary to the Government of Mysore,
Public Works Department.

TO

The Chief Engineer(General),
Bangalore.

Sub: Transfer of vehicles belonging to water
supply Division, Bangalore to the Corpo-
ration of City of Bangalore.

Ref: Your letter No.Misc 60 HMY/61-62
dated 26.9.1961.

Sir,

I am directed to invite reference to your letter
noted above, regarding the transfer of two vehicles to
the Corporation of the City of Bangalore and to request
you to indicate the original cost ^{of} the vehicles and the
probable cost at which these two vehicles can be sold to
the Corporation as contemplated in G.O.NO.LLH 7 CCS 59
dated 11.8.1961.

To The Secretary to the Government of Mysore,
Public Works Department,
BANGALORE.

SIR,

Subject:- Taking over a pick up van along with its Driver
and Cleaner from the Superintendent of Water
Supply Division- Bangalore to the Water Supply
Sub-Division, Corporation, Bangalore.
=====

With reference to the above, I write to state that at the
time of taking over Water Supply distribution system of Bangalore
from the Government, it was agreed that the pick up van of the
Water Supply Sub-Division was not required by the Corporation. Later,
the necessity of the van was felt for attending emergency works for
conveying men and materials. Hence a letter was addressed by the
Corporation Engineer to the Chief Engineer (General) to spare the
pick up van by transferring it to the Corporation from the Special
Water Supply Division, Bangalore.

The Vehicle along with its Driver and Cleaner was handed over
to the Corporation by the Executive Engineer Spl. Water Supply
Division, Bangalore on the afternoon of 20th September 1961. Since
then, the staff and the van are working in the Corporation. But
they are not paid their salary since the date they have reported for
duty to the Corporation as they have not been included in the
original list.

Now the Corporation Auditor has raised an objection that their
posts are not sanctioned by the competent authority, as their names
were not included in the original Government order.

Hence I request that the sanction of the Government may
kindly be obtained to consider the * marginally noted staff -

P.T.O.

noted staff as additional one and approve the taking

over the van and staff to the Corporation.

* Name of the Sri.M.Subramanyam - Pay & allowances drawn.
Driver. Rs.83/-plus Rs.10/- and plys Rs.5-98nP.

Name of the Cleaner

Sri. Hanumarangaiah. - Rs.30/-plus 35:-65.nP. .

No.

Dated 28th August 1961

To

The Chief Engineer,
Communication & Buildings,
Bangalore.

Sir,

- Additional Staff - Sanction for O.R.S.
Water Works, Hesaraghatta Works and
Special Sub-Division (Hesaraghatta).

As per the instructions of the Chief Engineer (General) of Mysore, Bangalore, communicated in his No. Misc. PS/CE/ Misc. 710 dated 4-8-1961, instructing that the staff of the head works and maintenance of pipelines along with the works connected with the City Improvement Trust Board works at Bangalore, are to work under this Division from 14th September 1961 P.M., as the distribution of water in Bangalore, is handed over to the Corporation of the City of Bangalore, by the Government. These staff do not form a part of the distribution system. I request that immediate concurrence for the continuance of the staff under this Division and also necessary orders, if required, in this connection be issued early.

The pay of the staff of Water Supply Division, B'lore, upto 14-8-1961 P.M. is being preferred from this Office as per the directions of the Chief Engineer (General).

The Statement showing the names with designation etc., of the staff now to work in this Division as per the Chief Engineer (General)'s instructions is herewith enclosed for kind information.

Immediate orders in the matter are solicited.

Yours faithfully,

Sd/-
